The interiors created by Urban Lifestyle Interior Design, is a mixture of styles, which is focused around a timeless comfort, home away from home. An industrial colonial feeling with touches of Africa insures for a welcoming stay. In the bedrooms the focus is on comfort and luxury, a lot of interest has been created by wallpaper images of nature that add depth to the rooms.

Oak herringbone floors throughout creates warmth to this classic contemporary space, with antique looking rugs and hides to add interest.

The rustic wooden dining table with metal frame and contemporary leather chairs in the kitchen adds to the industrial feel, with bold metal dim able pendants casting softer light for enjoyable dinners.

Contemporary comfy sofas in the open plan lounge invites, for long relaxing evenings, with a lovely glass of wine to enjoy in front of the fireplace.
